

Md. Shahjalal Rafid

Aspiring MERN Stack Developer | JavaScript Enthusiast

shahjalalrafid201694@gmail.com 01813262217 Dhaka shahjalal-rafid

Profile

Driven by an intense interest in **programming and algorithmic problem-solving**, I transitioned from a successful career managing high-volume financial workflows to dedicated **Full-Stack Web Development.** As a **BUET graduate**, currently pursuing a ***MERN Stack Diploma at Creative IT Institute***, I am actively building dynamic web applications using **HTML, CSS, React and Vanilla JavaScript.** Passionate about engineering clean, scalable web solutions that address real-life operational challenges. I am eager to leverage my hybrid analytical mindset to accelerate my coding journey as an **entry-level full-stack developer.**

Skills

Frontend Technologies — Competent
HTML5, CSS3, JavaScript(ES6+), Bootstrap, Tailwind CSS, Responsive Web Design & DOM Manipulation

Backend & Database — In Progress
Node.js, Express.js, MongoDB, RESTful APIs.

Tools & Platforms — Proficient
Git, GitHub, VS Code

Core Competencies — Competent
Algorithmic Problem Solving, Structural Logic, Complex Data Analysis, Workflow Optimization.

Projects

Omnifood - Responsive AI Food-Cart Project
Architected a **mobile-first, responsive web interface** from a UI prototype, including a dynamic sticky navigation bar and smooth section scrolling using Vanilla JavaScript and **DOM manipulation.**

Finsweet Project
Translated complex, **high-fidelity Figma** mockups into structured, **scalable code** utilizing modern client-first CSS naming conventions and **semantic markups.**

Fresh Project - Fashion Style Landing Page
Developed a modern **e-commerce landing page** featuring dynamic product grids.

Education

Professional Diploma in MERN Stack Web Development, Creative IT Institute
03/2026 – Present | Dhaka
Immersive 1-year professional program focused on building **complete web ecosystems.** Currently mastering frontend architectures, **responsive UI layout design,** and programmatic logic using Vanilla JavaScript, with upcoming specialized modules in **React.js and full-stack MERN integration.**

B.Sc in Civil Engineering, BUET
2017 – 2022 | Dhaka
Rigorous engineering curriculum centered on high-level **quantitative analysis**, structural mechanics, **algorithmic problem-solving,** and **resource optimization modeling.**

Professional Experience

Janata Bank PLC, Senior Officer
03/2025 – 03/2026 | Brahmanbaria
- Managed high-volume transaction workflows daily exceeding 20M+ BDT with 100% computational system accuracy.

Premier Bank PLC, Senior Officer
02/2024 – 03/2025 | Dhaka
- Fast-tracked from **MTO to Senior Officer** within 12 months via navigated complex operational workflows and transaction pipelines within **Core Banking System (CBS).**

United Commercial Bank PLC, Senior Officer
03/2023 – 11/2023 | Dhaka
- Managed cross-functional enterprise workflows and applied quantitative data analytics to optimize resource planning.

Certifications

Complete Full-Stack Web Development Bootcamp - Udemy
— Actively mastering HTML5, Advanced CSS (Grid/Flexbox), JavaScript ES6+, Backend APIs (Node/Express), PostgreSQL, and React architectures.

Languages

English & Bangla — Native/Bilingual
Full Professional Fluency for **Global Clients & Stakeholders.**
